## Community Invitation

### *The Power of Faith and Unity*

In times of uncertainty and challenge, faith and unity become our most profound sources of strength. Faith inspires hope and resilience, providing a foundation for individuals to persevere against adversity. Unity magnifies this power by bringing people together, transforming collective faith into a formidable force capable of overcoming seemingly insurmountable obstacles. When we combine our beliefs with a commitment to one another, we create a synergy that transcends individual limitations. Together, faith and unity enable communities to achieve shared goals, foster compassion, and build a brighter future for all. They remind us that, united by common values and a shared vision, there is no challenge too great and no dream too distant.

**Join us, Bronzeville Push for Peace will be hosting, Unity 2024 Praise and Worship Festival, a community event, August 3, 2024 (3-6pm) at Mayme Moore Park as we unite to showcase the power of faith and unity!**

## About

**Bronzeville Push for Peace: A ministry of Bethany Presbyterian Church** that seeks community engagement as well as create conversation with city and state officials about issues that concerns the health and well being of the Bronzeville District. It is our belief that regardless of ones religious tradition or political persuasion, without faith in unity, the marginalized and the dispossessed will continue to suffer and peace will never be realized.
